

Level Up Your Digital Performance with AutoVerify Dealership Solutions

AutoVerify is proud to be a Certified Provider in the KIA Canada Digital Dealer Sophistication program.

AutoVerify New Car™

AV New Car

With a monthly subscription to AV New Car, dealerships can access a comprehensive library of real vehicle images that match the year, make, model trim and colour of the vehicles in their inventory.

Here's what you can expect:

- Increase efficiency with access to a library of real photos specific to year/make/model/trim and colour
- Improve brand awareness with photos that feature your own background and logos
- Stay up-to-date with photo backgrounds adjusted seasonally
- Save time with no photo prep-work or seasonal re-shoots

AutoVerify New Car Partner

By participating in our partner program, dealerships can access AV New Car at no charge.

Program commitments:

- We'll send a list every Monday of the vehicles we need to shoot for your OEM
- You confirm which vehicles you have on the lot
- We schedule a shoot while you prepare the vehicles for capture

AV AUTOVERIFY®

AutoVerify Premium Capture™

To showcase your inventory, AutoVerify uses our trusted, industry-leading capture product enhanced with advanced AI photo technology. This enables seamless syndication to tier 1 sites and, if desired, supports high-quality merchandising on your website and third-party listings.

AV Premium Capture

A solution that makes it easy to get vehicle images captured, edited and uploaded to create stunning online listings using high quality, OEM-compliant dealership branded images. *Note: Dealer must also select a vehicle editing option.*

AV Premium Capture delivers the best quality available with professional, human-edited images that add an extra level of detail and care.

Here's what you can expect:

- Capture vehicles in under 10 minutes
- Simple, user-friendly app
- One image → all locations with auto syndication
- OEM-compliant images

All CPO vehicles captured with AV Premium Capture will be syndicated to Kia Canada's tier 1 CPO website.

New Looking to cut costs? Introducing **AV Premium Capture AI** – same capture process, different editing. Get great quality at a lower price using AI-edited images, while still keeping everything on-brand. Whichever option you choose, you'll get 25 high-res images per vehicle, all ready to go to the platforms you need.
