

TIRED OF COOKIE-CUTTER AGENCIES? IT'S TIME YOU TALKED TO STREAM

ABOUT STREAM

Stream is a full-service, fully integrated advertising agency powered by strategy, experience, and technology. We believe in an integrated approach that fosters communication with and between each department to elevate the results of our digital efforts. This strategy aligns all messaging through each medium and channel but also ultimately allows us to be more strategic and transparent with our advertising dollars, thus saving money and being more effective with our ad placement and spend. Our motto is Do the Ordinary Extraordinarily Well, and our team members truly live by this philosophy. Our client partners are treated like our only clients with a high level of communication, absolute transparency, and an aggressive pursuit of mutually set KPIs.

Paid Search

Offering a fully customized, hands-on, high-touch, integrated team-structured approach to pay-per-click (PPC) campaigns and strategy, including direct access to PPC specialists, who actively optimize campaigns throughout the month and follow trends to deliver a PPC campaign custom tailored to a business' needs.

Display and Video Advertising

Creation of captivating and converting graphics and video content on client's platforms such as social media, news sites, and web pages to engage audiences and drive retail traffic to the business.

Social Advertising

Plan and implement advertising campaigns on social media platforms such as Facebook, Twitter, Instagram, and LinkedIn.

Social Management

Data-driven management program of dealers' social media accounts on platforms such as Facebook, Twitter, Instagram, and LinkedIn, with focus on user purchasing behaviors, occupation, educational background, and others.

Reputation Management

Maintenance and management of a dealer's online image and reputation, including comments, reviews, and star ratings on various sites and platforms.

MyShowroom™ by FullThrottle

Access to Vendor's proprietary digital showroom platform where a dealer may import its customer database to offer its customers a virtual Vehicle Wallet along with personalized vehicle updates to increase dealer-customer engagement.

NitroLeads

A dynamic rewards program that can pull more people through your showroom doors and accelerate test drives.
